

San Pedro Democratic Club
Resolution to Oppose U.S. Military Intervention in and Sanctions Against Venezuela

Whereas the San Pedro Democratic Club opposes the Trump administration's planned regime-change war on Venezuela as such a war would be immoral and contravene fundamental principles of enlightened, nonviolent diplomacy, and

Whereas the Club further opposes the U.S. providing arms to any entity within Venezuela, the murderous economic sanctions currently in place, and any attempt to destabilize the country.

Be it resolved the San Pedro Democratic Club invites other organizations to pass similar resolutions in opposition to U.S. military intervention and sanctions against Venezuela, and

Be it further resolved that the San Pedro Democratic Club actively engage in community activities that raise awareness of the detrimental effects of U.S. foreign policy toward Venezuela.
