

San Pedro Democratic Club
Resolution on Ports O'Call Redevelopment

Because for years, Ports O'Call restaurant has been a consistently available space for the San Pedro Democratic Club (SPDC) to meet in, and because not only the Club but numerous families and organizations have depended on its availability for large events over the course of its 56 years of operation, the SPDC strongly urges the Port of Los Angeles and the Developers planning the remaking of Ports O'Call to keep the Ports'Call restaurant in operation during the remodeling and to make it one of the anchors in the new project.

The Club also recommends that the Port honor its previous commitments for relocation to all the smaller business owners in the current Ports O'Call Village.
