

SAN PEDRO DEMOCRATIC CLUB
RESOLUTION IN SUPPORT OF THE ENHANCEMENT OF
ENVIRONMENTAL REGULATIONS OF PETROLEUM REFINERIES

Whereas petroleum refineries detrimentally affect our communities' health and safety, and

Whereas San Pedro Democratic Club members work and reside within a five mile radius of petroleum refineries;

Be it resolved that the San Pedro Democratic Club supports the enhancement of environmental and safety regulations regarding petroleum refineries, and

Be it further resolved that the San Pedro Democratic club actively engage in community activities that further awareness of the need for environmental and safety regulations for petroleum refineries.
